

2017-18 MCCSD District Goals

District Goal #1

(a) 100% of students in grades K-11 will meet the end-of-the-year (EOY) proficiency expectations on the Iowa Assessment in reading, math and science (Target is 75% for 2017-18).

(b) 100% of students in grades K-11, who are not proficient, will make more than 1 year's growth on current year Iowa Assessment as compared to previous year Iowa Assessment.

District Goal #2

100% of 12th grade students will graduate (traditional or alternative diploma).

Action Plan:

District Goal #3

All members of the Mason City Community School District will demonstrate and participate in focused professional and personal learning that supports student learning and success.

Action Plan:

District Goal #4

Provide the resources, including teaching staff, facilities, infrastructure and access to technology, necessary to support high student achievement in a safe and healthy environment.

District Goal #5

All members of the school community will demonstrate high expectations for themselves and others and are committed to providing a safe, welcoming and inspiring learning environment for all.
