

MCCSD Board of Education Goals 2012-2015

Mason City Community School District Mission

“Providing quality education for all in a caring and responsive environment”

1. Community and family investment and partnerships

All members of the school community will promote and foster strong community and family partnerships through communication and collaboration.

2. Learning climate and environment

All members of the school community will demonstrate high expectations for themselves and others and are committed to providing a safe, welcoming and inspiring learning environment for all.

3. Instructional Leadership and Student Learning

All members of the school community will demonstrate a commitment to focused practices where our students participate in meaningful, intellectually challenging tasks and are supported in their efforts to become self-directed, independent learners.

4. Professional Capacity and Growth

All staff members of the Mason City Community School District will demonstrate and participate in focused professional and personal learning that supports student learning and success.

Professional learning supports:

Instructional Data Team Coaches K-12
Professional Development Facilitators
Administrative Leadership
Continuing education data

Focused learning areas:

Iowa Core Curriculum/Common Core alignment
PK-12 Data Teams
Common formative assessments
Co-teaching PK-12
Positive Behavior and Supports K-8

5. Stewardship and Advocacy

The Board of Education will pursue opportunities and provide leadership as stewards of resources and as advocates for learning for all.

The Mason City Board of Education is committed to being visible at school activities and events as well as day-to-day operations in each of the buildings.
