Booster Club

The Mohawk Booster Club supports our High School & Middle School Teams by providing resources for the athletes that may not otherwise be available.

The Boosters coordinate activities and volunteer efforts that raise money to benefit the youth in our school district. Additionally, your booster club provides money for the expenses incurred during state & local tournament participation.

The Century Club Membership drive is our main fundraiser. The majority of these funds are used to aid in transportation for all teams, purchase uniforms, make improvements to our weight room & other requests made by our coaches and teams.

Working together builds school spirit & lasting friendships. Do your part & volunteer today!
