

Mason City Public Transit is proud to announce a partnership with the Mason City Community School District for Summer 2018. Mason City Community Schools will be providing FREE lunches, Monday through Friday, throughout the summer to children 18 and under at three locations around the City. Many children, however, are hindered by a lack of transportation to and from the lunch locations.

That's where Mason City Public Transit comes in. We will be providing FREE rides to children 18 and under all summer long from 10:00am–2:00pm, Monday through Friday, so children can take advantage of this wonderful opportunity!

The three locations are Rhythm Church (19 8th St. SE), Mason City YMCA (1840 S. Monroe Ave.) and the Mason City Parks & Recreation Office (326 4th St. NE). All three locations are either on or within two blocks of Mason City Transit routes. The children can ride free to any of the locations during the 10-2 time period.

Questions should be directed to the Mason City Transit office at (641) 421-3380, or transit@masoncity.net.
