We hope that you and your family are safe and well during this time of uncertainty and concern. Please know that we are here to provide support for you in any way that we can.

This week we are in the process of developing and communicating our plans for **Voluntary Educational Enrichment Opportunities** for your students while the school is closed due to Covid-19 restrictions. On Monday April 13, 2020, you will find a link to the available resources on the district's web site. If you do not have the ability to access digital content, please contact the building principal to request printed materials.

We hope that you find this site to be useful in providing activities for your children. We are asking teachers to provide weekly educational opportunities as well as to be available to your child for any support or questions regarding the work. Teachers will be reaching out to your child through email, Google Classroom, Seesaw and will also be posting office hours and sharing contact information.

We understand that this is a new process for all of you and that the time you have available to work with your children is limited. If you need any support in accessing these resources, please reach out to your child's principal or teacher. They are ready to help in any manner you need.

We know that the safety, health, and well-being of our students and their families is of utmost concern. Please understand that the District is not requiring any student participation at this time, all opportunities are voluntary. These directions are simply meant to provide support for any family wishing to have their child engage in online learning.

MCCSD Voluntary Educational Enrichment Opportunities

Grades PK-2 will be offered printed packets of materials for your students to access their educational opportunities. These materials will be mailed to your homes weekly beginning Monday April 13, 2020. You will also have access to the materials through the web site.

Grades 3-12 will be offered online opportunities as well as printed materials if requested. In order for your child to fully participate, we are setting up a Chromebook distribution for those in need of a device. See the schedule below for pick up.

MCCSD Voluntary Enrichment Supply Pick Up Process Covid-19

Covid-19 Screening Questions for EVERYONE INVOLVED:

These screening questions will need to be answered by all parents/guardians and staff prior to coming for pickup. If you answer 'yes' to any of the following questions and are unable to pick up your child's Chromebook on the assigned days please call your building principal to arrange a separate pick up.

1. Have you in the past 14 days traveled internationally?
2. Have you in the past 14 days traveled outside of Iowa?
3. Have you in the past 14 days been in contact with someone diagnosed with or quarantined for Covid-19?
4. Have you had a fever (temp greater than 100.4 degrees F) in the last 3 days?
5. Do you have a cough?
6. Do you have any shortness of breath?

Voluntary Enrichment Starts: Monday April 13, 2020

Chromebook Distribution: Thursday, April 9; 11am-6pm and Friday, April 10, 2020 7am-2pm

All schools will have a drive up service to pick up Chromebooks per the schedule below.

Thursday April 9, 2020 11:00am - 6:00pm follow drive up directions at each school

Friday April 10, 2020 7:00am - 2:00pm

This service will be to distribute Chromebooks to students in grades 3-12 if they do not have access to their own device. Please be patient with this process as we work to get you the materials you need.

We thank you for your continued partnership with us in helping your child through this time.

Please expect additional information to come to you through your child's building principal and teacher.
