Dear Lincoln Families,

Congratulations on completing week five of voluntary learning! We are very disappointed, as I am sure our students are as well, that many of our fun activities have been canceled due to school closure. Lincoln staff are very excited about the opportunities for week five. Teachers have been planning fun activities around an OLYMPICS theme!

We have a fabulous Lincoln PTO typically supporting the fun events we have at the end of the school year. They want to support and reward our Lincoln students through this last week of learning! The Lincoln PTO will be purchasing a variety of gift cards our students could EARN! This is a token of our teacher appreciation and PTO appreciation for staying engaged in learning this last week. Students participating in paper packets AND online activities have a CHANCE to EARN a gift card for their hard work. Students submitting work to their teachers online or participating in paper packets will be added to the drawing for gift cards. Students working online should submit their Olympic Choice Board and activities to their teachers to qualify. We would LOVE for you to submit photos or videos of your participation to your teachers if possible.

The week of May 18 the final learning packet will be mailed home and posted on the learning website. Teachers will continue to be available to students and families during their office hours through the last day of school, which is June 4, 2020.

Conference sign up is still available at: https://ptcfast.com/schools/Mason_City_Community_Schools
Teachers are still scheduling with families through next week!
