Open Enrollment Notice for 2022-2023

Parents/guardians considering the use of the open enrollment option to enroll their children in another public school district in the state of Iowa should be aware of the following dates:

March 1, 2022 – Last date for regular open enrollment requests for the 2022-23 school year.

September 1, 2022 – Last date for open enrollment requests for entering kindergarten students for the 2022-23 school year.

A timeline waiver may be considered for those students falling under the “good cause” definition for the 2022-23 school year.

Parents/guardians of open enrolled students whose household income is at or below the federal poverty guidelines for household size are eligible for transportation assistance. This may be in the form of actual transportation or in the form of a cash stipend. Parents should be aware that open enrollment may result in the loss of athletic eligibility. Parents have a right to appeal to State Board if an original request to open enroll was based on repeated acts of harassment or serious health condition of the student.
